Learn how we count contributions.

Less More

This is your **contribution graph**. Your first  is for joining GitHub and you'll earn more as you make additional contributions. More contributions means a darker green square for that day. Over time, your chart might start looking something like this.

We have a quick guide that will show you how to create your first repository and earn more green squares!

[Read the Hello, World! guide.](#)

**Quick setup — if you've done this kind of thing before**

Set up in Desktop or **HTTPS** **SSH** <https://github.com/CameronUlrich/cmpt220ulrich.git>

We recommend every repository include a [README](#), [LICENSE](#), and [.gitignore](#).

**...or create a new repository on the command line**

```
echo "# cmpt220ulrich" >> README.md
git init
git add README.md
git commit -m "first commit"
git remote add origin https://github.com/CameronUlrich/cmpt220ulrich.git
git push -u origin master
```

**...or push an existing repository from the command line**

```
git remote add origin https://github.com/CameronUlrich/cmpt220ulrich.git
git push -u origin master
```

**...or import code from another repository**

You can initialize this repository with code from a Subversion, Mercurial, or TFS project.
